The MA submitting the entries shall specify their National ranking order.

This confirmation is the conclusive evidence of receipt of entries before the deadline. The Member Associations shall contact BWF immediately if such confirmation is not received by Wednesday by noon BWF Headquarters time (+08.00 GMT) following close of entries. Any objection to the entries should be notified to BWF. Following the close of entries if no objection is received by BWF by Thursday 23.59 hours BWF Headquarters time (+08.00 GMT) the entries shall be deemed to be correct. No complaints / objections shall be entertained thereafter.

12. THE DRAW

- 12.1 The draw for all knock-out tournaments shall be made in the manner set out below and no dummy entry is permitted.
- 12.1.1 In all level 1 to 3 BWF-sanctioned tournaments and Multi-sport games requiring sanction by the BWF, the seeding of the draw shall be done by the BWF. To accomplish this, all entries shall be forwarded by the organising committee to the BWF.
 - 12.1.2 In all level 4 BWF-sanctioned tournaments and continental multi-sport games requiring sanction by the BWF, the seeding of the draw shall be done by the Continental Confederation recommending sanction. To accomplish this, all entries shall be forwarded by the organising committee to the Continental Confederation recommending sanction.
- 12.2 The draw shall be done by the organisation doing the seeding (Regulation 12.2.1, 12.1.2), as per the timelines specified in Appendix 8. (Refer Part III – Section 1A, Appendix 8). The tournaments not covered by Appendix 8 shall use the timeline applicable to Superseries. The draw must be published as soon as possible after it is done, but in all cases not less than 24 hours before the first scheduled match. The qualifying rounds, if any, count as part of the tournament for these purposes.
- 12.3 The draw shall be conducted as follows.
- 12.3.1 When the number of playing units is 4, 8, 16, 32, 64, 128 or any higher power of 2, they shall meet in pairs in the order drawn, as in Diagram 1 for eight playing units.

- 12.3.2 When the number of playing units is not a power of 2, there shall be byes in the first round. The number of byes shall be equal to the difference between the next higher power of 2 and the number of playing units, (e. g. with 17 playing units, there are $32-17 = 15$ byes).
- 12.3.3 The byes shall be placed as in Tables 1 to 5 and Diagram 2.

DIAGRAM 1

- 12.4 The seeding of the draw at all BWF-sanctioned tournaments shall be done using the World Ranking as published on the reference date. (Refer Part III – Section 1A, Appendix 8) even if the results are missing. In each event, the entry which is ranked highest shall be seeded number 1, and the next highest number 2, and so on until all seeds required by Regulation 12.6 are decided.
- 12.5 Before implementing Regulation 12.5 in doubles events in which the BWF does the seeding, the World Ranking of each pair shall be modified for seeding purposes when Regulation 12.5.1 or 12.5.2 applies. (For explanation please refer to Part III – Section 1A, Appendix 7.)
 - 12.5.1 If two players do not have a World Ranking as a pair but the players have a World Ranking with other partners, a notional ranking is calculated for the pair. An average (the "notional" average) is taken of the best average points scored by each of the two players with other partners. This notional average is converted into the total notional points for the pair by multiplying by 10 and taking 80%. The notional points are used to determine a notional ranking.
 - 12.5.2 If the two players have a World Ranking as a pair but have competed in fewer than eight tournaments in the 52 week period, an adjusted ranking is produced by taking the pair's World Ranking points and adjusting as follows:

Number of tournaments played in	Adjust by multiplying by:
2	$10/5$
3	$10/5$
4	$10/5$
5	$10/5$
6	$10/6$
7	$10/7$

- 12.5.3 The resulting notional ranking as in 12.5.1 or adjusted ranking as in 12.5.2 is used to determine the seeding position.
- 12.5.4 A pair may have a seeding from one to four on the basis of any World Ranking but a seeding no higher than five based on any notional ranking and / or adjusted ranking.

This only applies in the main draw. However, if the number of players / pairs having world ranking is less than the permissible number of seeding places, the remaining seeding places can be based on the notional or adjusted world ranking

12.6 To seek even strength throughout the draw and to avoid players from one Member Association meeting in the early rounds, the draw may be seeded or arranged subject to the following restrictions:

- 12.6.1 A maximum of 16 seeds if there are 64 or more entries;
- A maximum of eight seeds if there are 32 to 63 entries;
- A maximum of four seeds if there are 16 to 31 entries; or
- Two seeds if there are less than 16 entries.

12.6.2 The seeded entries shall be selected as the best in the event at that time.

12.6.3 Seeded entries shall be placed as detailed in the example draw in Diagram 2. Seeded entries in the top half of the draw are placed at the top half of their sections (eg eighths or sixteenths), and in the bottom half of the draw at the bottom of their sections.

12.7 The top two seeded entries shall be dealt with as follows:

12.7.1 number 1 placed at the top of the draw; and

12.7.2 number 2 placed at the bottom of the draw.

12.7.3 Seeded entries shall be placed as detailed in the example draw in Diagram 2. Seeded entries in the top of the draw are placed at the top half of their sections (eg eighths or sixteenths), and in the bottom half of the draw at the bottom of their sections.

12.8 The other seeds shall be dealt with having regard to the requirements of Regulation 12.9

12.8.1 Numbers 3 and 4 drawn by lot to the remaining two quarters of the draw.

12.8.2 Numbers 5 to 8 drawn by lot to the remaining eighths of the draw.

12.8.3 Numbers 9 to 16 drawn by lot to the remaining sixteenths of the draw.

12.9 Separation of Entries

- 12.9.1 the first and second ranked entries in either the final seeding report and/or the final M&Q report from any one Member Association shall be drawn by lot in opposite halves of the draw;
- 12.9.2 the ranking of entries from a Member Association can be amended by the seeding. If this is done a new ranking order is implicitly established and should be used for the purposes of Regulation 12.10.
- 12.9.3 wherever possible, entries from any one Member Association shall not meet in the first round.

Note: this method of player separation, where it is desired, is recommended for all tournaments conducted at any level of competition.

- 12.10 For the purposes of Regulation 12.9, a qualifying entry or a pair from two different Member Associations shall be regarded as not coming from any particular Member Association.
- 12.11 The places allocated for any qualifying players / pairs in the main draw shall be drawn by lot, shall not be placed, and shall not be artificially separated. The main draw shall be made and published before play begins in the qualifying rounds.
- 12.12 Where drawing by lot is done under Regulation 12.11, entry separation (as in Regulation 12.9) shall be ignored.
- 12.13 Where drawing by lot is done under Regulation 12.12, entry separation (as in Regulation 12.10) shall not apply.
- 12.14 After taking entries into the main draw based on the World Ranking and Adjusted and Notional Rankings (GCR 12.5), on a reference date as specified in Appendix 8 (refer to Part III, Section 1A, Appendix 8) and there are vacancies in the draw to be filled by entries without a World Ranking or Adjusted and Notional Rankings (GCR 12.5), they shall be drawn by Nationality of such entries and then the entry with the highest National ranking from that country shall be picked up to fill the vacancy.

13. QUALIFYING

Principle of qualifying

- 13.1 Where entries exceed the required places in the main competition draw, the organisers are recommended to play qualifying rounds under the supervision of the Referee, as provided for in Regulations 13.2 to 13.8.

Determination of main or qualifying draw for entries received

- 13.2 The World Ranking shall be used to determine the players / pairs whose entries can be accepted in the main draw, with the principles of Regulations 12.6.1 and 12.6.2 used to modify the World Ranking regardless of whether or not a pair has competed during the ranking period.
 - 13.2.1 For the purpose of creating the M&Q list players who have participated in only one World Ranking tournament will be ranked in the M&Q list according to the points achieved in those tournaments (refer to Regulation 13.2).
 - 13.2.2 If there are more players / pairs that have the same rank than the available places in the qualifying draw, the selection of entries shall be done by drawing lots (refer to Regulation 12.14).
 - 13.2.3 For the purpose of creating the M&Q list of players for Junior International tournaments, the BWF World Junior Ranking will be used.
 - 13.2.3.1 For men's doubles, women's doubles, and mixed doubles, the respective

individual doubles rankings will be used to calculate a priority order of pairs as follows:

- 13.2.3.1.1 First priority are pairs where both players have an existing doubles ranking in their respective event. If a tie in the combined ranking points of two or more pairs, priority is given to the pair with the lowest combined ranking number total (e.g. if player X and Y are player together, and player X is ranked #1 and player Y is ranked #10, the team ranking total is 11. This pair would be given priority over the pair made up of player W at #3 and player Z at #10 whose combined ranking total is 13). If still tied, the pair who has played the most number of tournaments in total is given priority.
